CSB Monthly Star: December 2009

Your exclusive update on Chicago Spirit Brigade's events, news, and stars!

Thanks to all for a record-breaking year!

The Chicago Spirit Brigade finished its 7th season with a rousing performance at the Northalsted Halloween Parade - raising more than \$2,700 for the Families' & Children's AIDS Network! This record-breaking amount contributed to a banner year for the Brigade, with our 2009 performances generating total donations of \$11,671.88! In keeping with our fundraising mission, 100% of this was donated to Chicago non-profit organizations including Susan G. Komen for the Cure, the AIDS Foundation of Chicago, Test Positive Aware Network and FCAN, the Halloween beneficiary.

We would like to thank you and the thousands of other Chicagoans who contributed so generously to support these organizations, thus helping countless people we may never meet - individuals in our community who live with life-threatening challenges like breast cancer and HIV.

Cheerleaders, new Dancers and an expanded Drill team. With all this amazing talent, Big Bang 7 promises to be our best show EVER!

Big Bang is CSB's only event where the monies raised go toward our own operating cost. In year's past, successful shows have allowed us to fulfill our fundraising mission - performing throughout the city all summer long, collecting donations from our inspired audiences, and giving 100% to designated beneficiaries that provide direct care and support to Chicagoans with life-threatening challenges.

So come out for an unforgettable evening - and together we'll make 2010 our best fundraising year ever!
