## Now Recruiting for Dance Team and Drill Team positions with Chicago Spirit Brigade!

CSB has been growing rapidly the past few years, and this fall we will officially add two new components to our team: dance and drill! The new parts of the brigade will also be founded on our current mission:

*To fight disease through awareness and grassroots fundraising while entertaining, inspiring and motivating audiences to reach for their own personal excellence while celebrating the beauty and unity of diverse people.*

If you are passionate about our mission and would love to dance or perform drill elements such as flag and rifle, this is your chance!

To indicate your interest in trying out for the Chicago Spirit Brigade's Dance Team or Drill Team, please
